

ABOUT UNITED WAY OF THE CAPITAL REGION

The mission of United Way of the Capital Region is to improve lives in Cumberland, Dauphin and Perry counties by identifying the most pressing community needs, finding solutions to those needs, and demonstrating how these solutions are making a difference.

We live our mission by addressing the root causes of the most pressing issues facing the Capital Region. The story of our work to make a greater impact in the Capital Region began in 2017 when we launched three pilot projects to improve access to health care, school readiness and workforce development. At the same time, we remain committed to basic needs services to ensure people have access to resources in urgent situations.

Our pilot projects address the most pressing issues in our community. By doing this, we are changing the lives of people who need – and want – a path to move forward. Our work does more than help people succeed; it improves lives in the Capital Region.

We invite you to join us. You can give, advocate and volunteer to make a difference.

JOHN HARRIS LEGACY SOCIETY

The John Harris Legacy Society of the United Way Foundation of the Capital Region recognizes the generous individuals and families who have made current or planned gifts of \$5,000 or more to build the endowment of our local United Way. These individuals have invested in our community's future and created a permanent memorial to their thoughtfulness and generosity.

When you become a member of the Legacy Society, you create a legacy of caring for the Capital Region that continues for years into the future.

LEAVE A LEGACY THAT WILL LAST FOREVER

LEGACY GIVING

Charity is not limited to your lifetime. Most of us give time, talent and money to charitable organizations throughout our lives because we care about our community. We experience the joy that comes from giving and knowing we make a difference.

The United Way Foundation of the Capital Region provides donors, like you, a vehicle to create a lasting legacy.

THE UNITED WAY FOUNDATION OF THE CAPITAL REGION

The United Way Foundation of the Capital Region was created in 1996 to help ensure services will be available in our community when they are needed most.

Gifts to the Foundation come from caring people through their wills and other planned giving vehicles. These gifts help provide a stable base of funding during challenging economic times, as well as meet needs as they change over time.

Remember the United Way Foundation of the Capital Region in your will or estate plan.

Your gift to the Foundation will help make a lasting impact in the areas of access to health care, school readiness, workforce development and basic needs within the Capital Region.
