

ASSISTED TAX PREPARATION

Are you able to use a computer but not comfortable preparing your own taxes?

Visit one of our FREE* assisted tax preparation sites where a trained volunteer coach will help guide you as you prepare and file your state and federal income taxes. This is a great way to ensure your taxes are prepared correctly, while working at your own pace using an online program.

* If you have rental income, capital gains or certain kinds of self-employment income to claim, you may not be eligible for free filing.
