

UNITED WAY OF THE CAPITAL REGION LEADERS IN GIVING

LIVE UNITED

As a United Way of the Capital Region Leader in Giving, you lead the way for change in our community and inspire others to be charitable.

Your gift to United Way of the Capital Region helps us address pressing needs in the areas of access to health care, school readiness and workforce development, as well as support our community in urgent situations.

In 2018, 1,430 generous individuals and couples contributed more than \$5.5 million dollars to United Way as part of our Leaders in Giving program.
